The Commissioners

Redistribution Committee (NSW)

Dear Sirs,

We object to the possible abolition of Gwydir in your consideration of the electoral boundaries. We want fair and equitable representation in the Parliament and fair and equitable contact with our member; and we support the arguments for the retention of Gwydir.

Why dilute the representation of Gwydir & Parkes below the present level? Rearrange the boundaries if you deem it necessary but retain Gwydir and Parkes and all rural electorates.

Yours sincerely

Raymond R. Paine
