Dear Committee Members

I am writing to voice my objection on your proposal to redistribute the electorate boundaries and your proposed plan to abolish the seat of GWYDIR!!

**This means the loss of a rural seat in NSW – the loss of a country voice in our Parliament.**

How do you expect one member to represent such a huge area – Gwydir alone is almost too big for its member to travel around and to keep in touch with the rural people and their local councils. To include it in Parkes is just plain ridiculous – there is no way there could be real representation of the rural community. This must not happen and you must give sensible reasoning to the facts!!

I strongly suggest you leave GWYDIR alone!!

Yours faithfully,

Janet M Cruickshank
