Congratulations,
you certainly knew how to
put the cat among the !!!
Why Guydix, you should
put the whole country state
as one, we have no rights
no voice + it would save
you a lot of money + time
next time you decide to
redistribute n.s.w. seats,
(to wipe another seat from
the country.)

Thanking you for
your insight + Guydix's
denial.

Sincerely

Joanne Moad
