Australian Electoral Commission

Dear Sir,

My husband + I are strongly objecting to the changes proposed for our electoral boundaries. Historically we were always based in Macquarie. We would hate to be thrust into the Blue Mountains electorate. We would not get any benefit from these. Those elected officials from there wouldn't know even the name of our main street was.

Please do not change our electorate from Macquarie to Blue Mountains.

I remain,

Yours sincerely,
Mrs. Maureen Ford.
