To The Australian Electoral Commission,

Dear Sir or Madam,

I'm writing to voice my disappointment & fury at the way your commission is getting rid of the Lyndal Electorate what are you thinking putting us into Parkes what a joke up here in this area we will get nothing done the roads & health & many other infrastructure will all go to Parkes Orange & Bathurst & we up in the north of the state will be forgotten Lyndal seat has been here always & get out of your office & just see for yourself how big the Parkes electoral would be.

What do you think sitting in your office forgiveness we in the country need good representation for our well being.

Yours sincerely
Mrs Shirley Canham
