Dear Sir/Madam,

I am writing to object to the proposal of merging the Cwydir electorate with the seat of Parkes.

I feel that such a large seat would be very difficult for any MP to cover adequately. It will reduce the political voice of rural people.

Surely there are seats in the Sydney electoral divisions that could be merged and the sitting MP would probably have an extra hours travel as apposed to 14hrs to drive across the proposed Parkes Electorate. I am definitely apposed to the merger Proposal!
Sincerely

Michelle Coulton.
