Dear Committee,

I read with great anxiety your proposal to abolish the seat of Gwydir in your draft boundaries for NSW redistribution.

The loss of such an important rural seat in the Australian Parliament is unthinkable and to establish a mega-seat covering 47% of the State is ludicrous. ^{the} merging of the seat of Gwydir into Parkes would be grossly unfair to the rural community. I beg you to not carry out such a proposal.

Sincerely, in the interests of regional Australia.
