I want to protest against your proposal to abolish the seat of Gwydir and merge the electorate into the seat of Parkes for the following reasons.

The new electorate of Parkes (47% of NSW) will not give the People of this electorate a fair voice in the Federal Parliament because its size and distances

Your proposal (one less seat) takes away a much needed voice for Country NSW.

I support, as close as possible, the retention of existing boundaries.

Yours faithfully

Karl Toole
