Wood Square, N.S.W. 2002

"Merigung"

Marsden, N.S.W. 2390

14th July 2006

Dear Sir,

I wish to add my name to the long list of people protesting to the proposed abolition of the Federal seat of Gwydir and to merge most of it with the seat of Parkes.

A mega sized seat seems a ridiculous suggestion to expect one M.P. to see their constituents & deal with the issues at hand. Rural voters need more Federal seats not less!

Yours faithfully,
(Mrs.) A. Melbourne
