To,

A.E.C.,

P.O. Box 20014,

World Square 2002,

Dear Sirs,

It is with dismay that I write this letter to you concerning the proposal of the abolishing of the Gwydir electorate.

The proposal of the expanded area it would be impossible for one member of Parliament to provide fair & equitable representation to the nineteen local government areas of the proposed seat of Pookis.

It is with grave concern that I write asking that you reconsider the proposed new boundaries, and request that the proposed draft of boundaries be redrawn.

Yours faithfully

Richard L. Hayes
