Dear Sir,

The Boggabri C.W.A. Day Branch want the Redistribution Committee for N.S.W. to really take notice of the concerns about losing the seat of Lyvydis in the Federal seat of N.S.W. Lyvydis is a wonderful country federal seat & the member is available to many organisations such as C.W.A. & to our community.

Going with Parkes should not occur it will be much too big an area & reduce the "say" of the country people. Service ability of the electorate is most important.

Please don't reduce country seats - a Sydney seat could go & reduce the loss of representation for voters & less interruption. C.W.A (Country Women's Assoc. NSW) is a very involved group in our town & our area & recommends some of the committee should visit our area & see the difficulties that will occur if joined with Parkes. The size of the area will be far far too big & we need close representation for our area - Lyvydis. Loss of a representative for rural Australia in Federal parliament would be disastrous for us true country people.

Please consider keeping the seat of Lyvydis. We need it to stay.

Yours faithfully,
(MRS) A. P. Woodley.

CWA Boggabri Day Branch Secretary.
