World Square. 2002.

Dear Sirs,

I'm writing to OBJECT to the loss of  
the seat of Spyrakis proposal, and the  
merger of the electorate into the seat of  
Parkes.

May I suggest that there is a case for the  
abolition of a Sydney Electorate, which would  
cause far less disruption than cutting out our  
seat of Spyrakis.

Do city people realise the huge distance  
people will have to drive and the cost of  
fuel to see their M.P.?

Country people are at a disadvantage  
because of distance, so why make matters  
worse -

We need our M.P. close to discuss  
important issues with him/her.

This decision MUST be overturned

Yours sincerely,

H. J. McGregor. (Mrs)
