Dear Committee

Would you please go to
"wydi" to look at it. I know you can not
talk it as it takes many weeks to drive it
but fly it and look at the look at
"wydi" they can walk to all their members.
We have had NO RAIN and that is why
many sales have gone in County NSW.
County people NEED a voice
County people work HARD to grow
FOOD for Australia.
Please do not loose GWYDIR.

Yours Faithfully
M W Thomas
