Dear Sir / Madam,

I am writing to express my opposition to the proposed boundary changes in the Cwydir electorate.

I believe the size of the electorate will be such that the elected member will be unable to adequately service the area.

The size of the electorate will effectively reduce the voice of country people in Federal Parliament.

It has been suggested that there is a case for the abolition of a Sydney electorate, which would be much more equitable than abolishing the Cwydir electorate.

Yours faithfully,
John Stibbard.
