Dear Sir or Madam,

Re; Change of boundary of the
Macquarie Electorate.

We strongly object to this change. Our family has farmed and lived in this area since 1870 and all that time we have been proud to live in the The Hawkesbury District.

Governor Macquarie has left us a great heritage. We will be celebrating in 2010. The naming of the 5 Macquarie Towns; Windsor, Richmond, Pitt Town, Wilberforce and Castlereagh. If these towns are not in the Macquarie Electorate it will diminish the significance of the day.

We would ask you to take all this history into consideration before you make a mistake with this terrible error of judgement.

Yours faithfully

Nb Johnson
