Subject Objection to electorate change

Classification  Unclassified

To whom it may concern,

I would like to voice my disapproval of the proposal to make one big 'mega' electorate. I am from the Gwydir Shire and I have different interests from those in other shires. How can it be expected that one member can represent such a huge area, 47% of the state, and be fair and just to all. It is not necessary and would be a huge injustice to the regional people of NSW. I would like to see a complete redraft of all NSW electorate boundaries.

Regards

Megan Marshall
