Dear Committee Members - Board,

I am writing to you with great concern, over the abolishment of the Federal Electorate of (Gwydir) - ^{to} Parkes, as I have a relative in Gunnedah, I recently learn of the facts to scrap, Gwydir, many issues are of serious worry to us. The Federal Parliamentary representation will be difficult to contact in person as of the vast distances to travel & Country people have many disadvantages all ready. Roads - Hospital and Education & others. This proposal is absolutely WRONG, if your Committee wishes to scrap an Federal Electorate severely

Sydney area is the place to do ^{this} for the State's all done to - gether & a fair chance of contacting their Federal member easier.

I believe believe the Gwydir - ~~Parkes~~ Parkes Electorate are bound to grow socially & Economically and deliver help to those people.

The Gwydir Electorate must stay PLEASE as is, no matter who represents it.

I ask of you to show Compassion, Intelligence & grace and do - not abolish GWYDIR, for my relative & the process of real DEMOCRATIC understanding people in GWYDIR will be so. Understanding

disadvantage in many other ways.
we have discussed this a lot.

A malgornated, Federal seats in Sydney
would be wiser & the massive
population growth now & ahead.
whilst country people live there by
choice or other circumstances.
do give them a fair Democratic chance
and the Communities have been ignored
on your proposal.

Thanking you kindly for serious Consideration
to my concerns, & that my relative is worried
about the propose changes to the Gwydir
Electorate.

I remain, yours. Sincerely
I do expect a reply in due course.

Thanking you kindly.
