Dear Sir/Madam

**Ref: Proposed merger Parkes and Gwydir**

The decision to abolish the seat of Gwydir has no doubt been made within the parameters of your jurisdiction.

I doubt however that it is your deliberate intention to diminish the democratic right of rural people to adequate parliamentary representation. Unfortunately this is precisely what will result from the proposed abolition.

I respectfully request that you reconsider your decision and in doing so, place proper priority upon social rather than numerical representation.

Yours faithfully,

Mr. Ron Potter.
