The Redist plan for Electorates - offer  
Ref. Ray under Electorates.  
I do not agree.

Dear Sirs,  
It is absolutely ridiculous  
to increase the Division to Portia  
into one Division.  
For the Member to be able to  
Represent his area he has to be  
able to have meetings regularly  
and he would not be able to do it like  
elsewhere to lower Queensland now. The population  
argument is that Country areas do not  
have the high numbers anyway.  
Matters needing funding need industry  
and too big an area would not be  
covered in comparison to city Electorates.  
I am saying leave the two Country  
Electors and reduce the City Electorates.

Yours faithfully  
Peter Cox
