World Square NSW 2002

Dear Sir,

The Coonabarabran Senior Citizens Association Inc. strongly oppose the proposal to abolish of the seat of Gwydir.

The reason for this objection of course, is the attack on our local representation.

We would be reduced to one political representative for 47% of NSW and we can see no justice in this intention.

The Coonabarabran Senior Citizens vehemently protest this intended change.

Yours faithfully,

A handwritten signature in cursive script that reads "B. J. Rayner".

Beverley Rayner,

Secretary
