**Dear Sir,**

**We are writing to you in protest to the proposed changes to the Federal seat of Gwyder. To have an electorate of this size will, in effect, cut all voters off from being able to access their Member in times of need, place an enormous burden of travel on the shoulders of this Member and increase the costs of adequately servicing the area. Many constituents will be placed outside their normal nerve centre and the diversity of agricultural and industrial activity will be enormous.**

**For the sake of all the voters who live in Gwyder, LEAVE US ALONE!!!**

**Yours faithfully,**

**Robert and Frances Thomas and family**
