Dear Sir,

This letter is to object in the strongest possible terms to the proposed abolition of the Gympie seat in Federal Parliament. Because of its land area this seat on its own is a full time job for any politician without the addition of the huge Parker seat which together are nearly half the land area of N.S.W.

If a N.S.W. seat has to go surely it would be better for two Sydney seats to merge creating a more manageable area for any politician to handle properly.

Hoping you will give this matter your serious consideration

Yours faithfully

D. G. Holland
