REDISTRIBUTION COMMISSION of NSW

PO BOX 20014

WORLD SQUARE 2002.

Dear Sirs,

PROPOSED ELIMINATION FEDERAL SEAT OF  
GWYDIR.

We strongly object to this proposed re distribution. It takes the current member some six (6) weeks to cover the GWYDIR ELECTORATE. The proposed re. distribution will make it impossible for a MP to cover the greatly increased area and properly service & represent the people of this area, scattered through many small towns and communities as well as the major towns.

We lived for over 40 years in the WALLER district and know first hand the problems of western areas. In city electorates the local member represents his people only. In country areas there are many other concerns - airports - dams & water problems - local Govt - roads & highways - mining - forestry - the list goes on - medical & emergency services - schools & education concerns.

PLEASE RETAIN GWYDIR AND ALL OTHER COUNTRY ELECTORATES.

MR RRM WILSON

MRS PT WILSON
