The Australian Electoral Commission,

Dear Secretary,

( We wish to forward our disgust at the proposed abolish of the seat of Guydir, to make a huge seat nearly half the area of N.S.W.

This proposal would be an insult & unacceptable to a large rural area of N.S.W. & unfair to their legislative rights.

We strongly urge your committee to not consider this proposal.

yours sincerely,

B. M. Wood.

Benj. J. Wood.
