We wish to express our concern regarding the proposed change for the electoral boundaries of the Federal Seat of Macquarie.

We strongly PROTEST that the Hawkesbury area should be combined with the Blacktown area where there is no commonality of interest.

The electorate of Macquarie at present includes the five original towns designated by Governor Macquarie as well as the World Heritage Area of the Blue Mountains.

It is unlikely that we in this electorate will be better served by this proposed change.

Yours sincerely

Max & Wendy Fleming
