Redistribution Committee for N.S.W.

Dear Sir/Madam.

I am against the loss of a rural seat.  
Thank Christ I don't live in that almost 50% of  
this state with only 1 Member.

Yet City sliders are all with in half hour walk  
of these member.

Give the bush a break this is not fair  
As a bush Oganfan I am well aware of the problems  
bush people have even with the present electorates  
and I am only 50 Km away from my member.

Yours Oganfan  
John March
