Dear Sir/Madam

I would like to say how angry I am regarding the proposed change to the electoral boundaries in P.S.P.

It should be a Sydney seat that goes, but "no" just another disappointment for rural P.S.P.

There is no way a Member can cover the proposed area 47% of the state. It seems that as time goes by, there is less interest in rural people, where is this going to change?

I strongly object the the proposed change.

(Mrs) Mary Power.
