Dear Sir/Madam

As a voter residing in the Federal electorate of Gwydir, I wish to *strongly oppose* the abolition of the seat of Gwydir if it is amalgamated with Parkes.

As a resident of country NSW, access to Parliamentary representatives is difficult, to say the least, but to be represented by ONE member covering 47% of the State of NSW is unequitable. The proposal to create such a huge electorate effectively reduces the voice of country people in the Federal Parliament.

Your faithfully

(Mrs.) Barbara B. Duff
