Dear Committee Members,

My family joins with me to strongly oppose the AEC plan to abolish the federal seat of Gwydir, as part of the latest redistribution of N.P.W. Federal Electorates.

We regard the abolition of our seat as an attack on our level of representation as residents of regional Australia. Not only does our parliamentary representative lose close touch with his constituents but he or she will have a terrible task trying to cover the vast new area which is likely to be five times the size of Tasmania where they have five parliamentarians representing them.

I implore you to please reconsider the abolition of the seat of Gwydir.

Yours faithfully
Richard Friend.
