Dear Sir,

I write to object strongly with your decision to abolish the seat of Guyder.

Already we are 185,000 square kilometres in size, to go to 380,000 square kilometres, 47% of the State, is this real.

Representation of our area will be right or impossible.

I beg you to please please reverse your decision, you would make alot of people happy. Including me.

Yours faithfully,

Mrs Beverley Henley.
