Dear Sir,

We wish to voice our objection to the proposed redistribution of the seat of Gympie.

The needs of country people cannot be met by such a huge seat as the proposed seat of Parkes, it would be a large seat composed of culturally & economically diverse communities.

Country people would have to travel vast distances to visit their "local" M.P. & the member also would have great difficulty covering these huge areas. ~~The proposal~~ Sydney & coastal electorates are often only minutes from their M.P.'s office.

This proposal effectively reduces the voice of country people in the Federal Parliament
