Dear Sir,

I wish to lodge my protest at the proposed redistribution of boundaries effectively abolishing the seat of GWYDER and merging it into the seat of Parkes.

In my opinion this is a very short term view, after all this area is part of our food basket and should be well represented by our Politicians. Farmers & graziers need to be able to contact their members without having to drive miles & miles.

There are many, many difficulties facing farmers and country people, they

should have their representative near-by.

Please look to the future of our farmers as it is our future and the voice of country people needs to be heard.

May I suggest that your committee take the time to drive into this vast area to understand the situation.

Yours sincerely  
Mrs Margaret Parkes
