Dear Sir,

I wish to object most strongly to the abolition of the seat of GWYDIR in the proposed redistribution of the Federal Electoral boundaries in NSW.

It is absolutely ridiculous to expect one person can serve the enormous area proposed!

I expect that you have not been into or travelled the GWYDIR electorate & the future proposal is absurd.

The Bush is to be shafted again, how we can possibly be represented fairly!!

The electorate of Gwydir contains some of the most productive country in NSW and the towns in the area are currently having a surge in the population & economy.

I request that you look at one of the many seats in the City areas for redistribution & leave our seat of GWYDIR in its present form.

Yours Sincerely,
Anthony & Penny Phelps
