Redistribution Committee for N.S.W.

Australian Electoral Commission (N.S.W.)

P.O. Box 20014

World Square N.S.W. 2002,

Dear Sir,

I am writing to express our disapproval of the benching of the Gwydir Electoral Area, and it being gulped by the Parkes Electoral.

It is just another case of the Labour Government not being able to understand and caring about the well being of country people. The area will be so big, it will be absolutely impossible from the point of view of whoever has the job of tending to the needs and administration of such an enormous area, it being approximately 47% of the State of New South Wales.

I sincerely hope that the Labour Government considers people of Gwydir in this thoughtless discussion to alter the boundaries and make it impossible to manage. If it wasn't for the farmers and hard working rural people, the country would be in a heap.

Yours faithfully,

(Mrs) P. M. Capel.
