Dear Sir,

I would like to voice the strongest opposition to the proposed alteration of electoral boundaries in NSW.

The Commission's proposal creates a new electorate of Parkes that would be almost 380,000 square kilometres in size or 47% of NSW. That would make this electorate bigger than Germany and five and a half times the size of Tasmania.

It would be impossible for one representative to provide fair and equitable representation to each of the nineteen local government areas involved.

Yours faithfully

W Mosely

(Mrs Ada Edna Mosely)
