3/12 Adams Str.,
Mudgee NSW 2850

Please note this is to allow you to be made aware of my earnest opposition to the changes re the desire to alter the boundaries of NSW. Abolishing the electorate of Gwydir which has always been so effectually cared for by the most admirable gentleman, the Hon. John Anderson MP, would not be in the interest of the state of N.S.W.

On behalf of the citizens of Mudgee and my own family, I respectfully ask that further considerations are undertaken in the matter.

Yours Sincerely,

Helen Dempsey

A loyal citizen and voter of N.S.W. Australia.
