Dear Sirs,

I am writing in regard to the proposed redistribution of the present seats of Guyder and Parkes into a mega seat covering 379474 square kilometres and 47% of the state of NSW.

If it were not so serious it would be a joke to consider that one member of parliament could adequately service and represent an area of this size.

I strongly urge you to leave these two seats as they are and take into the proposal a consideration of the impossibility of any one person representing this area.

Yours faithfully
John Tate.
