Dear Sir

Recently I became aware of the intention of your department to remove the boundaries between Gympie and Ponds - thereby making one large electorate.

This merging of our regional area may limit the Labour parties focus on only Newcastle, Sydney, Wollongong (N.S.W.) etc.

We on the Gold Coast (Tweed) have had our rail service taken away, our Clubs Taxes increased thereby reducing their financial input to the local community.

Our local Labour member being more than useless - we still intend to put in a motion. I will do my utmost to oppose this proposal.

Yours faithfully

Helen Reid
