Klan Sir,

I wish to object in the strongest terms to the proposed re-distribution boundaries in N.S.W. - namely the abolition of Gordon and the expansion of Parkes electorate to an area of approx 380,000 square kilometres.

By creating such a huge electorate the proposal effectively reduces the voice of country people in the Federal Parliament.

It would be impossible for one member to provide fair and equitable representation to the numerous local government areas included in the proposed seat of Parkes.

In Sydney people are often only ten minutes travel from their M.P. office but if implemented - country people in the Parkes electorate would have to

travel enormous distances in order to
see their M.P.

I am

Yours faithfully

(Mrs) Jean Poulter (MRS. JEAN POULTER)
