Dear Sir,

Re Proposed Federal Electoral Distribution of N.S.W.

As a concerned resident in the Seat of Gwydir I wish to lodge a very strong objection to the proposed Federal Electoral redistribution of N.S.W., which will result in the abolition of the Seat of Gwydir. -

For the following reasons:-

- ① The proposed seat of Parkes is far too large for an elected member to adequately serve his constituents - most of his time will have to be in travelling - as combined to 2 Country Electorates equate to 47% of the State - reducing the "Say" the Bush has.
- ② If one N.S.W. Seat had to go why not one of the Sydney Seats - which was the preferred option of the major Political Parties.
- ③ People in Country N.S.W. feel they being discriminated against

In conclusion this proposal will result in a lack of proper Political Representation for people living in the defega sized electorate of Parkes.

Yours Faithfully

A. K. Johnston

(Concerned citizen of Gwydir Electorate)
