Dear Sirs,

I request that you reconsider your proposal to abolish the seat of Gwydir & to merge the electorate into the seat of Parkes because:

1. By creating such a huge electorate the proposal effectively reduces the voice of country people in Parliament.

2. In the most recent NSW electoral redistribution the commissioners were mindful of the huge size of the State seat of Murrumbidgee & those commissioners took the opportunity to reduce the size of that electorate. It is perplexing that in this current redistribution such a huge seat would be unnecessarily created.

yours faithfully
