Dear Sirs,

I object to the alteration of Goyddin

electorate on the grounds

1. This area must not be composed of big electorates of W.A.
2. There are no towns in the Halgoobie electorate east of Norseman, a distance of approx 420 miles (I owned and lived at Mandralilla Str, 380 miles east of Norseman).
3. This area of the Nullarbor had one Shire (Dundas) whereas Goyddin has fourteen being extended to nineteen.
3. ~~The~~ Goyddin has many National problems, our own area of Gunnedah has coal, water, rivers, forestry, meat and primary industry exports, interstate transport and roads just to name a few.
This in itself is near impossible to service, it would be impossible to get around all other areas and care for their concerns.

Thomas R. Lyfe.
