World Square N. S. W. 2002.

Dear Sir,

We write to protest about the abolition of the seat of Lywydie.

The proposed electorate of Parkes makes a mockery of democracy. It would be so extensive an area it would be difficult for any parliamentarian to serve people adequately.

There would be the loss of a voice in our Parliament representing the rural community - we need representation in Parliament.

It is truly hard to exist nowadays on the land, with draughts going on and on, and the occasional flood which wrecks the roads & can wipe out crops. If we have a member who lives <sup>in</sup> and understands our area, we at least have a chance to be heard in Federal Parliament.

It is hard enough to drive to see a doctor now with the cost of fuel so high, let alone to try to talk to a M.P. just imagine the cost of fuel alone going to Parkes.

It is the country which provides food for the cities, so why try to ignore them.

Thank you for reading this.

Yours faithfully

Janice Murray Helmore
