HAYMARKET 1240

Dear Sir/Madam,

I write on behalf of the parents of approximately 250 students from the Hawkesbury precincts of the Federal Electorate of Macquarie, whose children are enrolled in this school.

I am aware that, under the proposed Electoral redistribution, these families would pass from the Electorate of Macquarie to Greenway. On behalf of those parents, and this school, I would like to register for your formal consideration, the strong satisfaction felt with Mr Kerry Bartlett's representation of these constituents. Mr Bartlett has been, and continues to be, a very supportive Local Member. We request that the Electoral boundaries be so structured that Mr Bartlett is able to continue to represent these Hawkesbury constituents.

Yours faithfully,

JOHN COLLIER
Principal
