For New South Wales  
Level 1, Roden Cutler House  
24 Campbell Street  
HAYMARKET, NSW, 2000.

Dear Sir,

I wish to object in the strongest possible way to the destruction of the seat of Gwydir in the proposed redistribution of Federal Electoral boundaries in New South Wales.

It is absolutely ridiculous to propose that one person could adequately serve the needs of an electorate that covers almost half of the area of New South Wales.

I am certain that the former area known as Gwydir would be greatly disadvantaged under this proposal. The Gwydir electorate covers some of the most productive country in NSW and the towns in the area are experiencing a surge in growth in population and production.

In a situation such as this we need, more than ever, the close attention of a local member to keep this growth continuing.

I request you to consider this proposal, and keep the electorate of Gwydir in its present boundary.

Yours Sincerely  
Milton Scaysbrook
