HAYMARKET N.S.W 2000

Dear Sir

I wish to object most strongly to the
abolition of the seat of Gympie.

It is absolutely ridiculous to propose that
ONE PERSON could adequately serve the needs of
an electorate that covers 48 per cent of the
area of N.S.W.

I beseech you to reconsider this proposal
and maintain the electorate of Gympie in its
present form.

Yours sincerely
Fred Wanemann.
