The Australian Electoral Office for NSW,
Level 1, Roden Cutler House
24 Campbell Street,
Haymarket, NSW, 2000.

Dear Sir,

I wish, as an elector, to protest
the proposed enlargement of the electoral
boundary of Gwydir. It is a "farce" to
envisage true representation of people out
here should the proposal go ahead.
Government of the people, by the people,
for the people! I do not agree
with the proposal that affects 48%
of the area of New South Wales.

Yours faithfully,

Helen Cain
