Dear Sir/Madam,

Re: Abolition of Federal seat of Gwydir

I wish to object most strongly to the abolition of the seat of Gwydir in the proposed redistribution of Federal Electoral boundaries in New South Wales.

It is absolutely ludicrous and ridiculous to propose that one person could serve the needs of an electorate that covers 47% of New South Wales.

I feel that the electorates involved in the formation of this mega seat will be disadvantaged under this proposal. These areas contain some of the most productive country in NSW and the towns in the area are experiencing a surge in growth and economy. In a situation such as this, we need, more than ever, the close attention of a local member to keep this momentum going. Maybe a seat in Sydney, say like Blaxland would be a much better option.

I beseech you to reconsider this proposal, and maintain the electorate of Gwydir in its present form.

Yours sincerely,

R.W. Young JP
