To Whom it May Concern,

It was with dismay the members of Scone & District C.W.A learnt of the plan by the federal N.S.W Redistributions of seats to consider abolishing the electorate of Gwydder.

Common sense tells us it would be humanly impossible for one Member, no matter how dedicated, to give fair representation to the unwieldy area that is proposed, 47% of the state! Also it will mean one less rural seat & we feel there are too few of them already.

It was unanimously voted at our meeting to register a strong protest against Gwydder being abolished. We hope reconsideration is given to this unwise move.

yours faithfully.

(Mrs) Muriel Halsted

Hon. Secretary

Scone District
