# Petition opposing the abolition of the Federal seat of Gwydir

We, the undersigned, wish to record our strong opposition to the AEC redistribution proposal that would abolish the federal seat of Gwydir. We do so for the following reasons:

1. At 47% of the total area of NSW, the proposed new seat would be too big to allow a Member to equitably and fairly service his or her constituents, and/or serve in a Ministerial position.
2. The loss of Gwydir, a Federation seat, would reduce the number of country representatives in the Federal Parliament, thereby diminishing the political voice of regional Australians.
